Re: Hotel Rebranding

Dear Partners,

We are pleased to announce that as a part of the hotel rebranding strategy, starting on the 10th of April 2018 the name of the hotel will be officially changed from **Ramada Bintang Bali Resort** to **Bintang Bali Resort**.

In line with this rebranding, we are fully committed to deliver the existing products and services to all our valued partners around the globe. With the brand changing, we will maintain and further improve our standard of services to our guests. For all the contracted agreements which have been made prior to these changes will be honored for the whole period according to the validity of those agreements. The expired contracts will be reviewed and renewed with the new brand and logo. We will also honor all the bookings which have been made under the previous brand.

Bintang Bali Resort is proud to be a part of your long-lasting business relationship and look forward to providing the exceptional service to bring this property to a new level of success. We appreciate your continuous support and thank you for your kind attention.
